Trees will be the first of five major goals we are undertaking in honor of the five-year countdown to our 50th anniversary. On their own and together, these initiatives will make a significant and measurable impact on the Earth and will serve as the foundation of a cleaner, healthier and more sustainable planet for all." - See more at: <http://www.earthday.org/earth-day/earth-day-theme/#sthash.yvr0C0Lo.dpuf>
