WEISS SEROTA HELFMAN COLE & BIERMAN

AT THE CROSSROADS OF BUSINESS, GOVERNMENT & THE LAW

From: David M. Wolpin, City Attorney's Office

Date: May 23, 2017

Re: List of Pending Legal Work Matters as of May 23, 2017

I. CODE ENFORCEMENT

Handle applicable county court prosecutions for code violations and related activities. Provide legal services for preparation and presentation of cases before city special magistrate; and assist in facilitating the operation of successful special magistrate program (Jose Arango);

II. LITIGATION

1) Defend City in fire assessment case. The Circuit Court granted plaintiff's motion to certify a class of plaintiffs. We had filed a Notice of Appeal of that preliminary ruling to the Fourth District Court of Appeal, as authorized by the City Manager; and have filed the City's Briefs. Oral argument was held at the 4th District on November 5, 2013. By Per Curiam decision of November 14, 2013, the 4th District (without a written opinion) affirmed the Circuit Court's certification of a class of plaintiffs to allow the case to proceed as a class action. Since the appellate court decision returned the case to the Trial Court, the previous stay or hold on trial court proceedings is removed, and the defense of the case will proceed at the Trial Court level pursuant to the several defenses asserted in the City's previously filed Answer and Affirmative Defenses. On June 2, 2014, the Trial Court issued an Agreed Order requiring the Plaintiffs to publish and mail a notice of the pending class action litigation, as required by the rules governing class actions, so that persons who are alleged to be part of the class may know of the class action and may decide whether to remain in or exclude themselves from the class action as the case proceeds. Plaintiffs mailed and published a notice, and have recently repeating the notice process because of a defect in the return mailing address that they used in the first attempted notice. The discovery process in on-going. Plaintiffs filed a motion for partial summary judgment. Plaintiffs subsequently

filed an amended motion for partial summary judgment. We have examined that amended motion, and have responded to it. A hearing was held on the motion for partial summary judgment on July 7, 2015. The Court took the matter under advisement upon the conclusion of that hearing. On July 20, 2015, the Court determined that Plaintiff's challenge to the 2006 fiscal year fire assessments is barred by the statute of limitations. Subsequently, by Order of September 10, 2015, the Court ruled in the City's favor on the Plaintiffs' motion for partial summary judgment by denying that motion. On October 28, 2015, Plaintiffs filed another Motion for Summary Judgment. On November 4, 2015, the City filed its Motion for Summary Judgment. A case status conference was held by the Court on December 16, 2015. The Circuit Court held a hearing on the respective motions for summary judgment on February 15, 2016. At the conclusion of the hearing, the Court took the matter under advisement and announced that it would rule in the future. Subsequently, the Court issued an Order dated April 14. 2016, a copy of which was obtained on April 18, 2016, in which the Court denied the City's Motion for Summary Judgment, and granted, in part, the Plaintiff's Motion for Summary Judgment concerning some of the City's affirmative defenses, including the City's affirmative (and well founded) defense that Plaintiff's suit is prohibited as not timely filed within the 20 day jurisdictional standard of the Fire Assessment enabling Ordinance and Resolutions. The trial of the case may be held sometime during the Court's June 13- July 1, 2016 trial period. A standard court ordered mediation was held as previously scheduled on April 19, 2016, and a further court- ordered mediation may be held before the trial. The Court held a pre- trial conference on June 16, 2016, and expressed an intent to have found that the fire assessment was not properly apportioned between residential and other assessed properties. The Court may issue a clarifying Order on that aspect of its prior Summary Judgment Order. On June 20, 2016, the Plaintiffs indicated that they will seek to dismiss Count I concerning their allegations that the special assessments funded EMS. In light of these developments, a trial is not anticipated at this time. On June 21, 2016, the Plaintiffs, for the first time, presented a settlement proposal for City consideration. On July 5, 2016, the Court issued a Final Judgment reflecting that the Plaintiffs dismissed Count I (which had alleged that funds from the special assessment were used for EMS) and declaring that the apportionment was improper as to Count II. As requested by the City Manager, the City filed its appeal to the Fourth District Court of Appeal on July 19, 2016. Plaintiffs belatedly filed a motion in the trial court seeking to have that court declare that the plaintiffs are entitled to a fire assessment refund in an unspecified amount. However, since the case is presently pending on appeal to the Fourth District Court of Appeal, the trial court does not have jurisdiction to consider that motion. The City's appellate brief was filed at the end of October, 2016. The Plaintiff's answer brief was filed on February 2, 2017. The City's reply brief and request for oral argument were filed at the end of March, 2017. Oral argument at

the Fourth District Court of Appeal is scheduled for June 13, 2017 (Matt Mandel, Jamie Cole, Ed Guedes, Adam Schwartzbaum);

2) Assist City staff in coordination and monitoring of liability claims and cases handled by FMIT insurance counsel (David Wolpin).

III. OTHER MATTERS

1) Handle labor issues and provide labor related advice for Human Resources (Milton Collins, Brett Schneider);

2) Represent City as a party plaintiff in asset distribution litigation against Broward County and in related dispute resolution and mediation proceedings, concerning Resource Recovery Board / Solid Waste system, as authorized by City Commission. An attorney- client session to discuss a potential settlement offer was previously held. Settlement approval has been processed by the largest municipalities, and has also been approved by the Broward County Commission. The Settlement was approved at the City Commission meeting of April 28, 2015, and has been approved by all of the other participating cities. Distribution of settlement proceeds to the cities has been made. We are monitoring the County's compliance with the remaining requirements of the settlement and the consideration and approval of amendments, and attending applicable municipal-county follow-up meetings (Jamie Cole, Anthony Soroka);

3) Advise on implementation of County ethics ordinances, as amended, and provide advisory opinions, assistance and advice on public service ethics when requested (David Wolpin, Robert Meyers);

4) As requested by City Manager, assist staff with collection of delinquent utility bills including late fees (Aleida Molina, David Wolpin);

5) Assist Growth Management department on land use matters (Kathy Mahaffey);

6) Assist City Manager on road maintenance agreement matter (David Wolpin);

7) Assist City Engineer/Utility Director on Water and Sewer Development Agreement Matters (David Wolpin, Elen Gantner);

8) Handle stormwater loan transaction closing (Jeff DeCarlo);

9) Assist City Engineer/Utility Director on Mobilitie pole removal matter (Alan Gabriel, David Wolpin);

10) Assist City Manager on matter of federal asset sharing funds which are required to be transferred to BSO as the City's law enforcement service provider (Joseph Natielo, David Wolpin); and

11) Examine Agenda Items for May 23, 2017, City Commission meeting (David Wolpin, Alan Gabriel).
