Wishing Your Family a Happy New Year!

Reward Yourself for Being Green

We're taking big steps to go green by teaming up with Waste Management and RecycleRewards to reward you for home recycling.

RecycleRewards, brought to you by Waste Management, rewards you for recycling with discounts and deals from hundreds of local and national businesses. On average, members can earn up to \$150 in reward value through annual recycling efforts.

Here's How it Works:

Register: Simply sign up at Recyclebank.com/wm and follow the online prompts to verify your home address. You can also call 1.888.727.2978 to sign up.

Recycle: Recycle all that you can with your Waste Management recycling cart; it will be collected and weighed along with your neighborhood's recycling. Once you're a RecycleRewards member, you'll earn points each time you bring your cart to the curb. Once you've signed up at Recyclebank.com/wm, you can also find many other ways to earn RecycleRewards Points!

Receive Rewards: The more points you earn, the more rewards you can get. Go to Recyclebank.com/wm to shop for the rewards of your choice. There's something for everyone. 🍀
