Chairman Schinder called the meeting to order at 8:35 AM.

1. Roll Call
   Barry Schinder – present
   Bob King – present
   Bruce Loucks – present
   Kerri Anne Fisher – present
   Roland Berrios - present

2. Guests
   Horacio Montes de Oca

5. Presentations
   A. Sawgrass Asset Management – Greg Gosch – Quarterly Presentation (9/30/13)
      Mr. Gosch congratulated the Board for sticking with their allocation, which has resulted in 5 years of positive growth for the fund. They are admittedly surprised by the market’s above average strength at this time. Sawgrass is anticipating a possible budget shutdown in January. They also expect the new Fed Chair to be similar to Bernanke so there shouldn’t be any drastic changes in philosophy. With regard to fixed income, Sawgrass is preparing for a rise in interest rates, going longer on bond duration, as The Fed “tapers off”.
   B. ICC Capital – Grant McMurry – Quarterly Presentation (9/30/13)
      Mr. McMurry agreed with Mr. Gosch, and advised that he is surprised by the market’s strong performance with nothing pushing it forward, other than momentum. Finance and Consumer Discretionary sectors have performed well and there are bargain opportunities to be found. The media are projecting a “gloom and doom” forecast, but ICC isn’t buying into it.
   C. Thistle Asset Consulting – John McCann
      Mr. McCann began by reminding both Managers that they may reduce their fixed income allocation now that the American Realty allocation has been increased. They are currently higher than they should be and they do have a 5% +/- leeway.
      With regard to American Realty’s allocation, Mr. McCann recommended that the Board provide them with $200,000-$250,000 to bring the fund up to the full 10% allocation. Mr. Loucks asked if the Board should consider a higher amount, since the value of the fund will keep increasing during the year. The Board was reminded that American Realty will only accept funds if they can be immediately invested. Mr. McCann advised that he will find out whether American Realty anticipates a capital call in the next quarter.
Mr. McCann confirmed that the performance for the year has been excellent. The value of the total fund at the end of September was $26,076,000, with 56.1% in equities, 30.4% in fixed income, 8.9% in alternative investments and 4.6% in cash. The total fund’s fiscal year to date return was 13.09%, which beats the index by 1.10%. Performance was slightly behind the index with 3-year numbers at 10.16% and 7.86% for 5-years. Total fund equities beat the index by 4% with 24.63% for the fiscal year to date. Equities were ahead of the index with 16.54% for 3-years and 9.86% for the 5-year average. Fixed income lagged behind the index with -1.16% for the fiscal year to date, but was slightly ahead with 2.68% for 3-years and 5.53% for 5-years.

In reviewing the performance of the individual managers, ICC’s total returns beat the index by more than 2% with 13.93% for the FYTD, but fell a little behind the index with 8.54% for 3-years and 6.68% for 5-years. Sawgrass’ FYTD numbers were just slightly behind the index with 12.71%; beating the index for the 3-year numbers at 11.48%, but falling a bit behind the 5-year with 8.86%. American Realty’s returns have been very good, beating the index with 11.02% for the FYTD and just missing the index with 11.84% since inception in January 2011. Although they have not been with the GEPP for 3-years, Mr. McCann advised that American Realty’s 3-year return was ahead of the index at 13.7%.

2. Approval of Minutes Summary for Meeting of October 23, 2013.
The minutes were unanimously approved as submitted by the Recording Secretary.

Mr. Montes de Oca reported on the performance for the month, advising the Board that Salem Trust has not yet provided the reports for November.

4. Bills and Warrants
   A. ICC Capital Management – quarterly fee for period ending 9/30/13 - $14,297.61
      Mr. Loucks made the motion to approve Item A. The motion was seconded by Ms.
      Fisher and approved unanimously by voice vote.

6. Old Business
   A. Third Party Administrator interviews: January 22, 2014
      Ms. Fisher reminded the Board the Trustees of the discussion from the
      October meeting, when the Board agreed that they would be satisfied
      interviewing two applicants. Interviews will be held after the meeting on January
      22nd 2014.
   B. Gabriel, Roeder, Smith & Company Correspondence – October 11, 2013
      GASB No. 67 Implementation Package
      Ms. Alvarez summarized Melissa Algayer’s correspondence, advising the
      Board that the GASB changes will take effect September 30, 2014. Additional
      work will be required so GRS has requested that the Board approve an increase
      in their fee.
      Mr. King made the motion to accept GRS’ increased fee in order to comply
      with new GASB reporting requirements. The motion was seconded by Mr.
      Berrios and passed unanimously by voice vote.
   C. DROP Entry Window Changes
      Reporting on the status of changes in the DROP entry window, Ms.
      Alvarez advised that the draft ordinance was written by the City Attorney and
      reviewed by the Pension Attorney. The Plan Actuary has been asked to provide
      an impact statement, so the draft ordinance may go before the City Commission
      for approval.
      A discussion about the minimum number of service years required to enter
      the DROP followed. Originally, the DROP required 15 service years, but the new
      ordinance requires nothing more than the 6 years required to vest. It was agreed
      that a longer service requirement will be irrelevant once the entry window is
      extended. The option of allowing an 8 year participation window was also
      discussed, since DROP participants are required to join FRS, where they are not
      vested until 8 years. It was agreed that this participation period would be too long
      so no action was taken.
