Mayor Greg Ross
City of Cooper City
P.O. Box 290910
Cooper City, FL 33329

Dear Mayor Ross

THANK YOU! On behalf of the American Cancer Society and Relay For Life of Davie and Cooper City, we would like to thank you for your support to our Relay For Life event this year. Thanks to you and all of our participants for this year, our Relay For Life has raised over $115,799.48. What an incredible achievement! The event not only was an incredible fundraising success but also provided a wonderful and memorable experience to all those who participated in our event.

Relay For Life events help fuel the American Cancer Society’s mission, helping us invest in groundbreaking research, free rides to chemo and places to stay near hospitals, a 24/7 helpline, and so much more. This work can continue to be made possible thanks to your generosity and support.

Together we are stronger in this fight against cancer; thank you once again for being a part of it.

Warmest regards,

Trudy Spence
