Good afternoon Ms. Sims,

I am writing to inform you that after much deliberation, I have decided to withdraw as candidate of Cooper City, District 2 Commissioner. Upon considering withdrawing (Sept 19th), I reached out to the Broward County SOE office to ask what the procedure was for doing so. They informed me that I needed to write a letter to your office with date and signature. I will be printing this and signing it in order to make it official.

They also informed me that it would be too late to remove my name from the ballot, thus making me reconsider staying in the race, but I have come to the final realization, that this is not the right time for me.

I wish to thank you and all the other Cooper City personnel that were helpful during this campaign and am looking forward to getting to know you better throughout the years as I become involved in other ways.

I will be printing out this email and signing it in order to make it official.

Best Regards,

Olga Cabrera Watson
