

We are proud of Cooper City Pool & Tennis Center member Maddy McCauley who has been selected as one of 10 national finalists for the 2018 SilverSneakers Swanson Award.

Maddy McCauley

Age 75

Cooper City, FL - AvMed
Rock Creek Pool and Fitness Center

Maddy has a drop foot so walking is difficult, not to mention working out. A friend recommended SilverSneakers to her and she decided to give the program a try. Thanks to a supportive SilverSneakers instructor, Maddy now loves going to class regularly and enjoys the friendship of her fellow members. Recently, she severely sprained her ankle and had to wear a boot, but as soon as she received the OK from her doctor, she was back at her SilverSneakers class. According to Maddy, "It is a life-changing experience for me."

Now through June 29th, Maddy McCauley's inspiring story, as well as the other finalists' stories, will be featured on the SilverSneakers website where you can vote once per day to determine the winner. We encourage you to show your support for Maddy by voting for their story.

CONGRATULATIONS MADDY!

We invite you to help Maddy McCauley win the national award by voting for her inspiring story on the SilverSneakers website, <http://silversneakers.swansonaward.com>.
